

Activate by Phone: Automated Activation Hotline Instructions

Please turn your radio on with the antenna facing skyward and tune to channel 184 for Sirius or channel 1 for XM. (If your radio is in a vehicle, please make sure it isn't in a garage.)

Step 1:

Call 866-635-8634

Step 2:

At the prompt, speak your Radio ID (also called an ESN or SID)

Step 3:

Say "Yes" to confirm that you are ready to receive your activation signal now

Step 4:

Listen to the instructions for receiving your activation signal. If you have any further questions, say "Listener Care" to speak to an agent.
