Newer model receivers are compatible with **SiriusXM Marine services**.

- 1 SiriusXM Satellite Radio service may be purchased for a reduced fee when combined with SiriusXM Marine Weather. SiriusXM Satellite Radio service included in Voyager subscription price.
- 2 The availability and display of service features and SiriusXM audio varies by hardware provider.
- 3 Inland package is only available on Simrad, Lowrance, and B&G hardware. Viewable within 80-mile radius of vessel in Vessel Mode, but can be viewed within 80-mile radius of the cursor position in Browse Mode. The viewing is restricted to approximately 10NM seaward from shorelines.
- 4 Audio subscription included in Voyager subscription price.

OFFER DETAILS: The subscription plan you choose will **AUTOMATICALLY RENEW** and you will be charged according to your chosen payment method at then-current rates for the plan selected, until you cancel. An initial activation fee may also apply. Applicable tax and other fees may apply. See plan details for all rates. **Please see our Customer Agreement at www.siriusxm.com for complete terms including our refund policy and how to cancel, which includes online methods or calling us at 1-800-985-9200.** All fees, content, and features are subject to change. Service not available in AK or HI.

IMPORTANT INFORMATION: The SiriusXM Service may include traffic, weather and other content and emergency alert information and data. Such information and data is not for “safety for life,” but is merely supplemental and advisory in nature, and therefore cannot be relied upon as safety critical in connection with any aircraft, sea craft, automobile, or any other usage. SiriusXM is not responsible for any errors or inaccuracies in the data services or their use. Service not available in AK or HI.
